Moses Kang

Raleigh, NC | 919-594-3207 | mosesjkang@gmail.com | github.com/meauxses | https://meauxses.github.io/

Aspiring programmer with school experience in Java and C, currently learning and working with Go.
As of today: developing a recipe/kitchen organizer with timer functionality in Go, learning SQL/NoSQL
fundamentals, refining coding skills as I work as a medical courier.

EDUCATION & CERTIFICATION

North Carolina State University   **Computer Programming Certificate - GPA: 3.75**
Raleigh, NC   Jan 2021 - Aug 2022

- *System Test Plan Manager* - implemented backend for a program that maintains test plans for potential software. Features include saving/loading test plans, adding/removing test cases.(**Java**)

- *Pack Scheduler* - implemented a schedule and registration manager for students and faculty members, with custom data structures, file parsing, and error handling.(**Java**)

- *Cleaning Manager* - designed/implemented a vacuum scheduler for a hypothetical vacuum which measured frequency of rooms cleaned, life remaining of a vacuum bag, etc. Experimented with various sorting algorithms/data structures and created a runtime analysis report.(**Java**)

North Carolina State University   **TEFL Certificate**
Raleigh, NC   May 2015

University of North Carolina at Chapel Hill   **BA Comparative Literature**
Chapel Hill, NC   May 2014
